

Caution

Any changes or modifications to the construction of this device which are not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio / TV technician for help.

CE 2200

Hereby, Green Power Electronics, Co.Ltd.
declares that this GP200WT is in
compliance with the essential requirements and
other relevant provisions of directive 1999/5/EC.

Wireless Charging Stand + 4Port USB Hub

Qi Certified
CE 2200
FCC ID:Y4H-GP200WT
RoHS

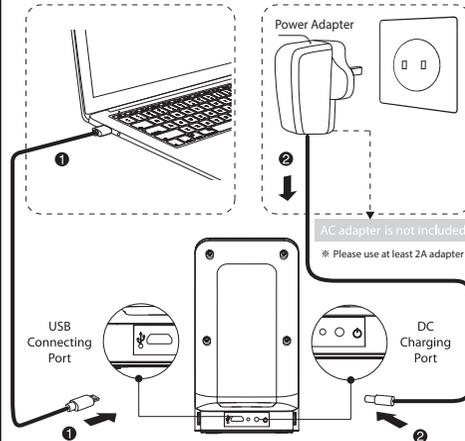

GP200WT Overview

(USB Ports not intended for charging. Use for mouse, keyboard, external HDD, etc.)

	Color	Status
	Off	Not Charging
	Red	Charging

Connecting to USB Cable

- ❶ To use as USB Hub, connect included USB cable to your PC or laptop.
- ❷ To Qi charge, connect included DC power cable to wall adapter (not included).
- ※ To use USB hub and wireless charging simultaneously, connect both ❶ and ❷.

How to Charge

- ❶ Please make sure LED Indicator is off before charging.
- ❷ Place your mobile device onto the Charging Stand. LED Indicator will turn red when charging.

Important:

Stand will not charge if device is improperly placed; reposition your device on the stand until LED Indicator turns red.

Device Info

Interface: Qi Wireless, USB 2.0, Micro USB, DC Power
Package Contents: Wireless Charging Stand, USB Cable, DC Power Cable, User Guide
Dimensions (L x W x H): 5.2 x 4.2 x 2.7 in. (132 x 106 x 70 mm)
Weight: 7.7 oz. (218 g)
Input: DC 5 V / 2A (Recommended)
 DC 5 V / 500 mA (Minimum input when connecting to desktop or laptop computers)
Output: DC 5 V / 700 mA

Warning

1. Do not disassemble.
2. Do not overcharge.
3. Do not charge overheated devices.
4. Keep cool and away from fire or high temperatures.
5. Keep dry and away from moisture.
6. Keep away from magnetic chips (i.e. credit cards).
7. Keep away from implantable medical devices (i.e. pacemakers, cochlear implants).
8. Keep away from children.

Please Note:

Power adapter not included; at least 2A output power adapter recommended for optimal charging. Using less output may result in slow, frequent disconnection or no charging.
